Health Policy Workshop (HPW) – Washington, DC

June 9-11, 2019

The HPW is held every other year in Washington, DC. It is a two-day event. The timing of this Workshop coincides with the mid-term elections that occurred the previous November. The goal of the HPW is to increase members' participation in advocacy at the local, state, and federal levels. Attendees are invited to apply for the experience and scholarships to cover the cost.

Advocacy & Leadership Opportunities

- Travel to Washington, DC to examine the role nurses play in advocacy
- Explore current legislative issues impacting patients with kidney disease and healthcare providers
- Obtain education on nurse advocacy best practices
- Meet with representatives on Capitol Hill

Nephrology Nurses Week

September 8-14, 2019

To honor the dedicated nephrology nurses who care for patients with kidney disease, ANNA has designated the second full week in September each year as Nephrology Nurses Week. National, local, and nephrology employment setting events take place annually to celebrate nephrology nurses during this designated week.
