## Communities in ANNA Connected

You can always access your communities from the top of the ANNA Connected home page. Communities, My Communities.

Ms. Sharon Longton, BSN RN CNN CCTC

Click "Enter" to view a specific community of which you are a part.

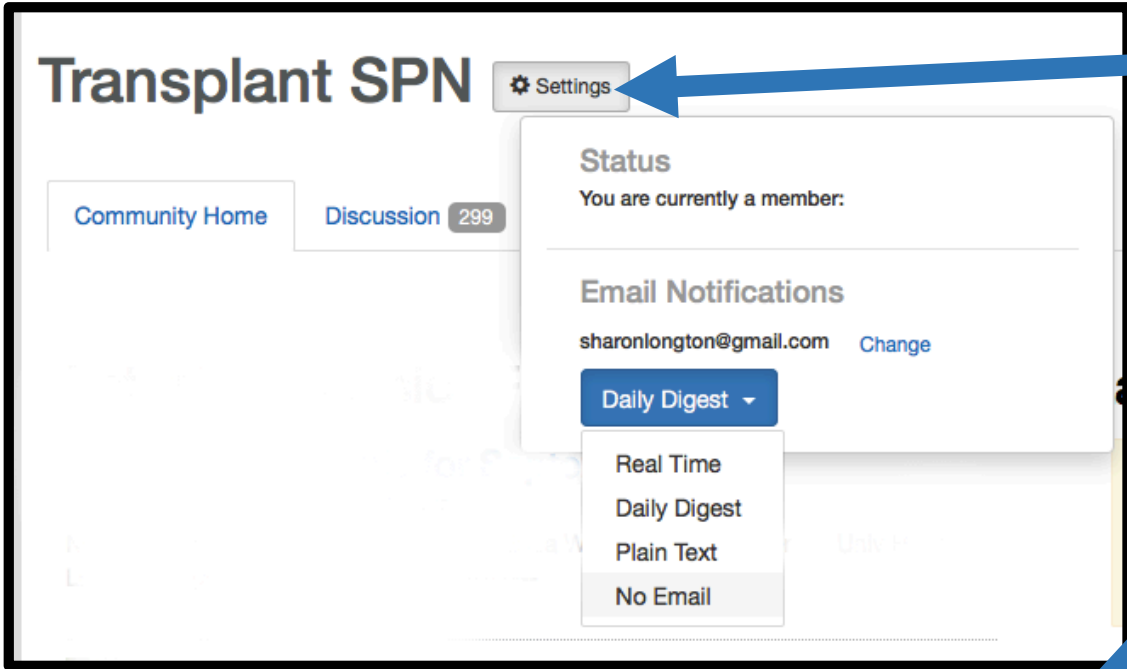

The community is the umbrella under which the discussion group lives.

Each community has ...

- a discussion group – to communicate
- a library – to share files
- an event listing – to share upcoming meetings, etc
- a member listing – to see who is in the group

# Community Notifications

For each community of which you are a part, you can select how often you would like to receive communications.

You can do this from the main community page under "Settings" OR

While at your profile, click on "My Account," then "Community Notifications."
